

Congratulations! You've been flocked!

By, _____, and this Flock of Pink Flamingos have gathered upon your property to roost! In case you didn't know they are very territorial and need to be placed on another lawn soon. The Flamingos will be removed by the highly trained Flamingo Removal Service professionals this evening.

For a donation of \$10 and an address you can send the Surprise Flock to the next lawn. Please put your cash donation or check made payable to KHS PTSA ANG in the supplied envelope with the address of the next lawn to be flocked. You can add \$5 for every additional address if you would like to flock more than one lawn. Please write the addresses on the back of the flyer. Help us keep them moving!
