

Grading Practices

School: Kempsville High School

Subject(s): AP Biology

Grade Level: 11-12

Homework

Homework notes may be checked for completion with a short homework quiz.

Late Work

Late work is to be turned in as soon possible before the end of the nine weeks.

Explanation of Zeroes

All missing assignments receive a fifty until assignment is made up

Reassessment

If a student does not master an objective (at least 70%), then remediation will be done by the student for that objective. Completing more learning opportunities on that objective will be required before re-assessing. Once all objectives for the unit have been mastered, then the student will take the unit test.

Make-up Work

When absent, you should use Schoology to keep up with class assignments. This may include the notes, video notes, worksheets, homework, or upcoming quizzes, labs, or tests.

Extra Credit

There is no extra credit assigned
