

Grading Practices

School: Kempsville High School

Subject(s): AP Statistics

Grade Level: 10-12

Homework

Assignments will be posted on Schoology. Homework is to be expected after each class. Use your class notes and online textbook to complete all homework assignments. Attempt all problems. All work must be shown when solving problems. Answers alone will not earn credit. You can expect ~1 hour of HW each class, working problems, watching videos, and/or reading from the textbook. Copying another student's work is a violation of the Honor Code.

*****Note:** Most homework problems assigned will be odd problems. I intentionally do this so you can check your work in the back of the textbook. Copying answers will not do you any good. Yes, you will get credit for doing the homework but you will not be practicing the information which is necessary for mastering the content for the tests. You will quickly fall behind if you copy answers from the back of the book every day.

Late Work

Whether it is a homework assignment, a missed assessment (quiz or test), or a project, assignments not turned in on time will be marked with an **interim** grade of 0. With the exception of missed work due to excused absences, late homework/classwork can be turned in for a late penalty of 25% **until the day of that unit/chapter's test**. Due dates will be posted on Schoology. It is important to pay attention to these deadlines.

Explanation of Zeroes

Whether it is a homework assignment, a missed assessment (quiz or test), or a project, assignments not turned in on time will be marked with an **interim** grade of 0.

Reassessment

This is an AP class, so there are no reassessments.

Make-up Work

Students are required to bring an absence note stating the reasons for an absence to the Attendance Office no later than three days after returning to school. Make up work will not be provided for unverified absences. If you are absent it is your responsibility to inquire about your missing assignments. All work will be posted on our Schoology page. All makeup work should be turned in no later than one week after the due date. *Missing a class is not an excuse for being unprepared for the next class.* You must message me or see me immediately upon your return to school about making up a quiz or test. This is a college-level class and we will move quickly. If you miss a class you are expected to be caught up by the next class to prevent from falling too behind.

***** Take responsibility for preparing yourself to take your assessments ON TIME.*****

Extra Credit

This is a college-level class, and thus NO extra credit will be given. I will grade all tests on a “curved” AP scale, so that is the only way you will gain extra points.
