

## Grading Practices

School: Kempsville High School

Subject(s): Art Foundations

Grade Level: 9-12

### Homework

Homework assignments will not exceed 10% of a student's cumulative grade.

### Late Work

Assignments not completed by the due date (or the assigned alternate due date due to absence) will be marked late and 5% will be deducted. All late work must be received two class periods prior to the end of the 9 weeks.

### Explanation of Zeroes

A "0" will be given for a formative or summative assignment where no work has been submitted or no work has been completed. A partial grade of 50% may be awarded for evidence of work even if final assignment is not received.

### Reassessment

As a visual arts class, the student may redo a summative assessment (art project) as long as it is submitted in the same 9 weeks and two class periods before the end of the grading period. A student may not redo work from other grading periods.

### Make-up Work

If a Student is absent from class it is **THEIR RESPONSIBILITY** to make-up missed work. Missed work will be due upon return if assignment was due on date of absence. Otherwise, students will have the same amount of time for the assignment as the rest of the class. Special arrangements will be made on a case by case basis for unusual situations or circumstances.

### Extra Credit

Extra Credit may be assigned when it is directly related to the instructional program and is assigned/available to all students equally.
