

Grading Practices

School: Kempsville High School

Subject(s): Ceramics/Sculpture Fine Arts & Crafts

Grade Level: 10-12

Homework

Homework assignments will not exceed 10% of a student's cumulative grade.

Late Work

If a Student is absent from class, it is their responsibility to make-up any missed work. Missed work will be due upon return if assignment was due on date of absence. Otherwise, students will have the same amount of time for the assignment as the rest of the class. Special arrangements will be made on a case by case basis for unusual situations or circumstances.

Explanation of Zeroes

Students will be given every opportunity to remediate any zeroes due to missed work. As a rule all work must be completed within the same grading period. Special exceptions are accommodated on a case by case basis.

Reassessment

Student artwork may be re-worked after assessment. All reassessed work must be done during that particular grading period. Special exceptions are accommodated on a case by case basis.

Make-up Work

All make-up work must be completed in the same grading period. Special exceptions are accommodated on a case by case basis.

Extra Credit

Extra credit will be offered occasionally at the beginning of each new project. This opportunity is offered for research done outside class, and related to the artist or subject being studied.
