Make-up Work

Students are responsible for scheduling make-up quizzes or tests and gathering make-up work; these must be taken within 3 days of the student's return from an **excused** absence. *Because most work is online, absence is no excuse for missing homework.* Previously assigned work is due upon return from an **excused** absence; work assigned while a student is absent must be completed in a period proportional to the assignment. If extended absences are anticipated, or upon return from an extended absence, please make an appointment with me to discuss make-up work. **Do not** leave anything on my desk. Check back later to be sure your work was received.

Work missed due to an **unverified** absence will be considered late; tests and quizzes missed due to an **unverified** absence are to be made up on the day of return.
