

## Grading Practices

School: Kempsville High School

Subject(s): French V

Grade Level: Grades 11-12

### Homework

All students must be prepared for class. Because you must practice outside of class, homework activities are very important and will be assigned almost every class.

### Late Work

Late work will be accepted for full credit, but please remember that if you do not keep up with the preparation, (homework, etc.), you may not be prepared to do well on class application or assessments.

### Explanation of Zeroes

A zero score will be assigned for any work you have not done until it is completed.

### Reassessment

You may review and re-do tasks to build your skills and demonstrate your proficiency by individual request.

### Make-up Work

The lesson/learning plan (including class activities and homework assignments for each day in the 9 weeks grading period) will be available in your classroom, and a summary with required activities/homework will be posted to our Google Classroom. In the event of an absence, you should check this site or contact me or the distance learning teaching assistant at your school so that you can be prepared and current. It is YOUR responsibility to check for work you have missed when you are absent. You should complete make-up work within a week of your return to class unless you have had an extended absence. Please make arrangements with me or your distance learning teaching assistant.

### Extra Credit

There will be opportunities for supplemental/extra credit, based on our classroom activities.

For additional information, please access the [VBCPS Grading Guidelines for Secondary Schools](#) on vbschools.com.
