

Grading Practices

School: Kempsville High School

Subject(s): German

Grade Level: I, II, III

Homework

Students will have one weekly, graded assignment due each Friday on their This is Language account.

Late Work

Late work will not be accepted.

Explanation of Zeroes

If a student is absent, students will receive a Z. Grade of Z will calculate as a 0, and it is in bold in the gradebook as a notification to the teacher that the student was absent on the original due date.

Reassessment

When a student fails a summative assessment, the student can retake the assessment no later than three school days after the grading of the assignment. If the student does not come at the scheduled time, he/she will not be offered another opportunity unless there is an extenuating circumstance. The final grade will be the retake grade, not an average of the grades combined or the higher of the two.

Make-up Work

Make up work should be completed within three school days unless there is an extenuating circumstance.

Extra Credit

1 or 2 bonus questions on unit test are acceptable, but no extra credit assignments will be created to inflate a student's grade.
