

## Grading Practices

School: Kempsville High School

Subject(s): Japanese

Grade Level: I, II, III

### Homework

Study their handouts/notes. Use Schoology/Google Classroom to get information about the topics, and practice with provided activities.

### Late Work

Late work will be accepted with half credit.

No credit will be given for assignments completed in class.

It is the responsibility of the student to make arrangements to make up missed work.

### Explanation of Zeroes

A zero will be entered as a grade if and when the student fails to submit or present an assignment. If this becomes a chronic problem seek additional support. Students who skip class on the day graded assignments are due will automatically receive a zero, and no other opportunity will be granted.

### Reassessment

Reassessments on assessments will occur at the teacher's discretion when the majority of the students score poorly. The teacher will reteach the lesson, provide different examples and activities for the students to practice.

### Make-up Work

I am available for extra help /make-up work during 4A and before and after school in Distance Learning Room. Please make an arrangement personally with me. Come with specific works/questions/problems so that I can meet your needs.

### Extra Credit

The needed information will be posted in schoology/Google Classroom and announced in the classroom.
