

Grading Practices

School: Kempsville High

Subject(s): World History II

Grade Level: 10th

Homework

Homework will be assigned as necessary to supplement the lesson on any given day. It will not be standard for the course. I encourage students to self-mediate their position in class by reviewing material as needed on their own.

Late Work

Turning your work in late creates many problems for you as a student and for the overall classroom setting. Late work is highly discouraged. All unexcused late work will be penalized a determined point value and registered a zero in the grade book until made-up before the end of the quarter.

Explanation of Zeroes

Zeroes will be given until the end of the grading period to be made up for partial credit unless otherwise excused.

Reassessment

Reassessments will be available upon review of student needs and accommodations.

Make-up Work

If you are absent, all missed work must be made up within five days after you return to school. This applies to all absences including those related to discipline.

Extra Credit

Extra credit will be considered on a student by student basis.
